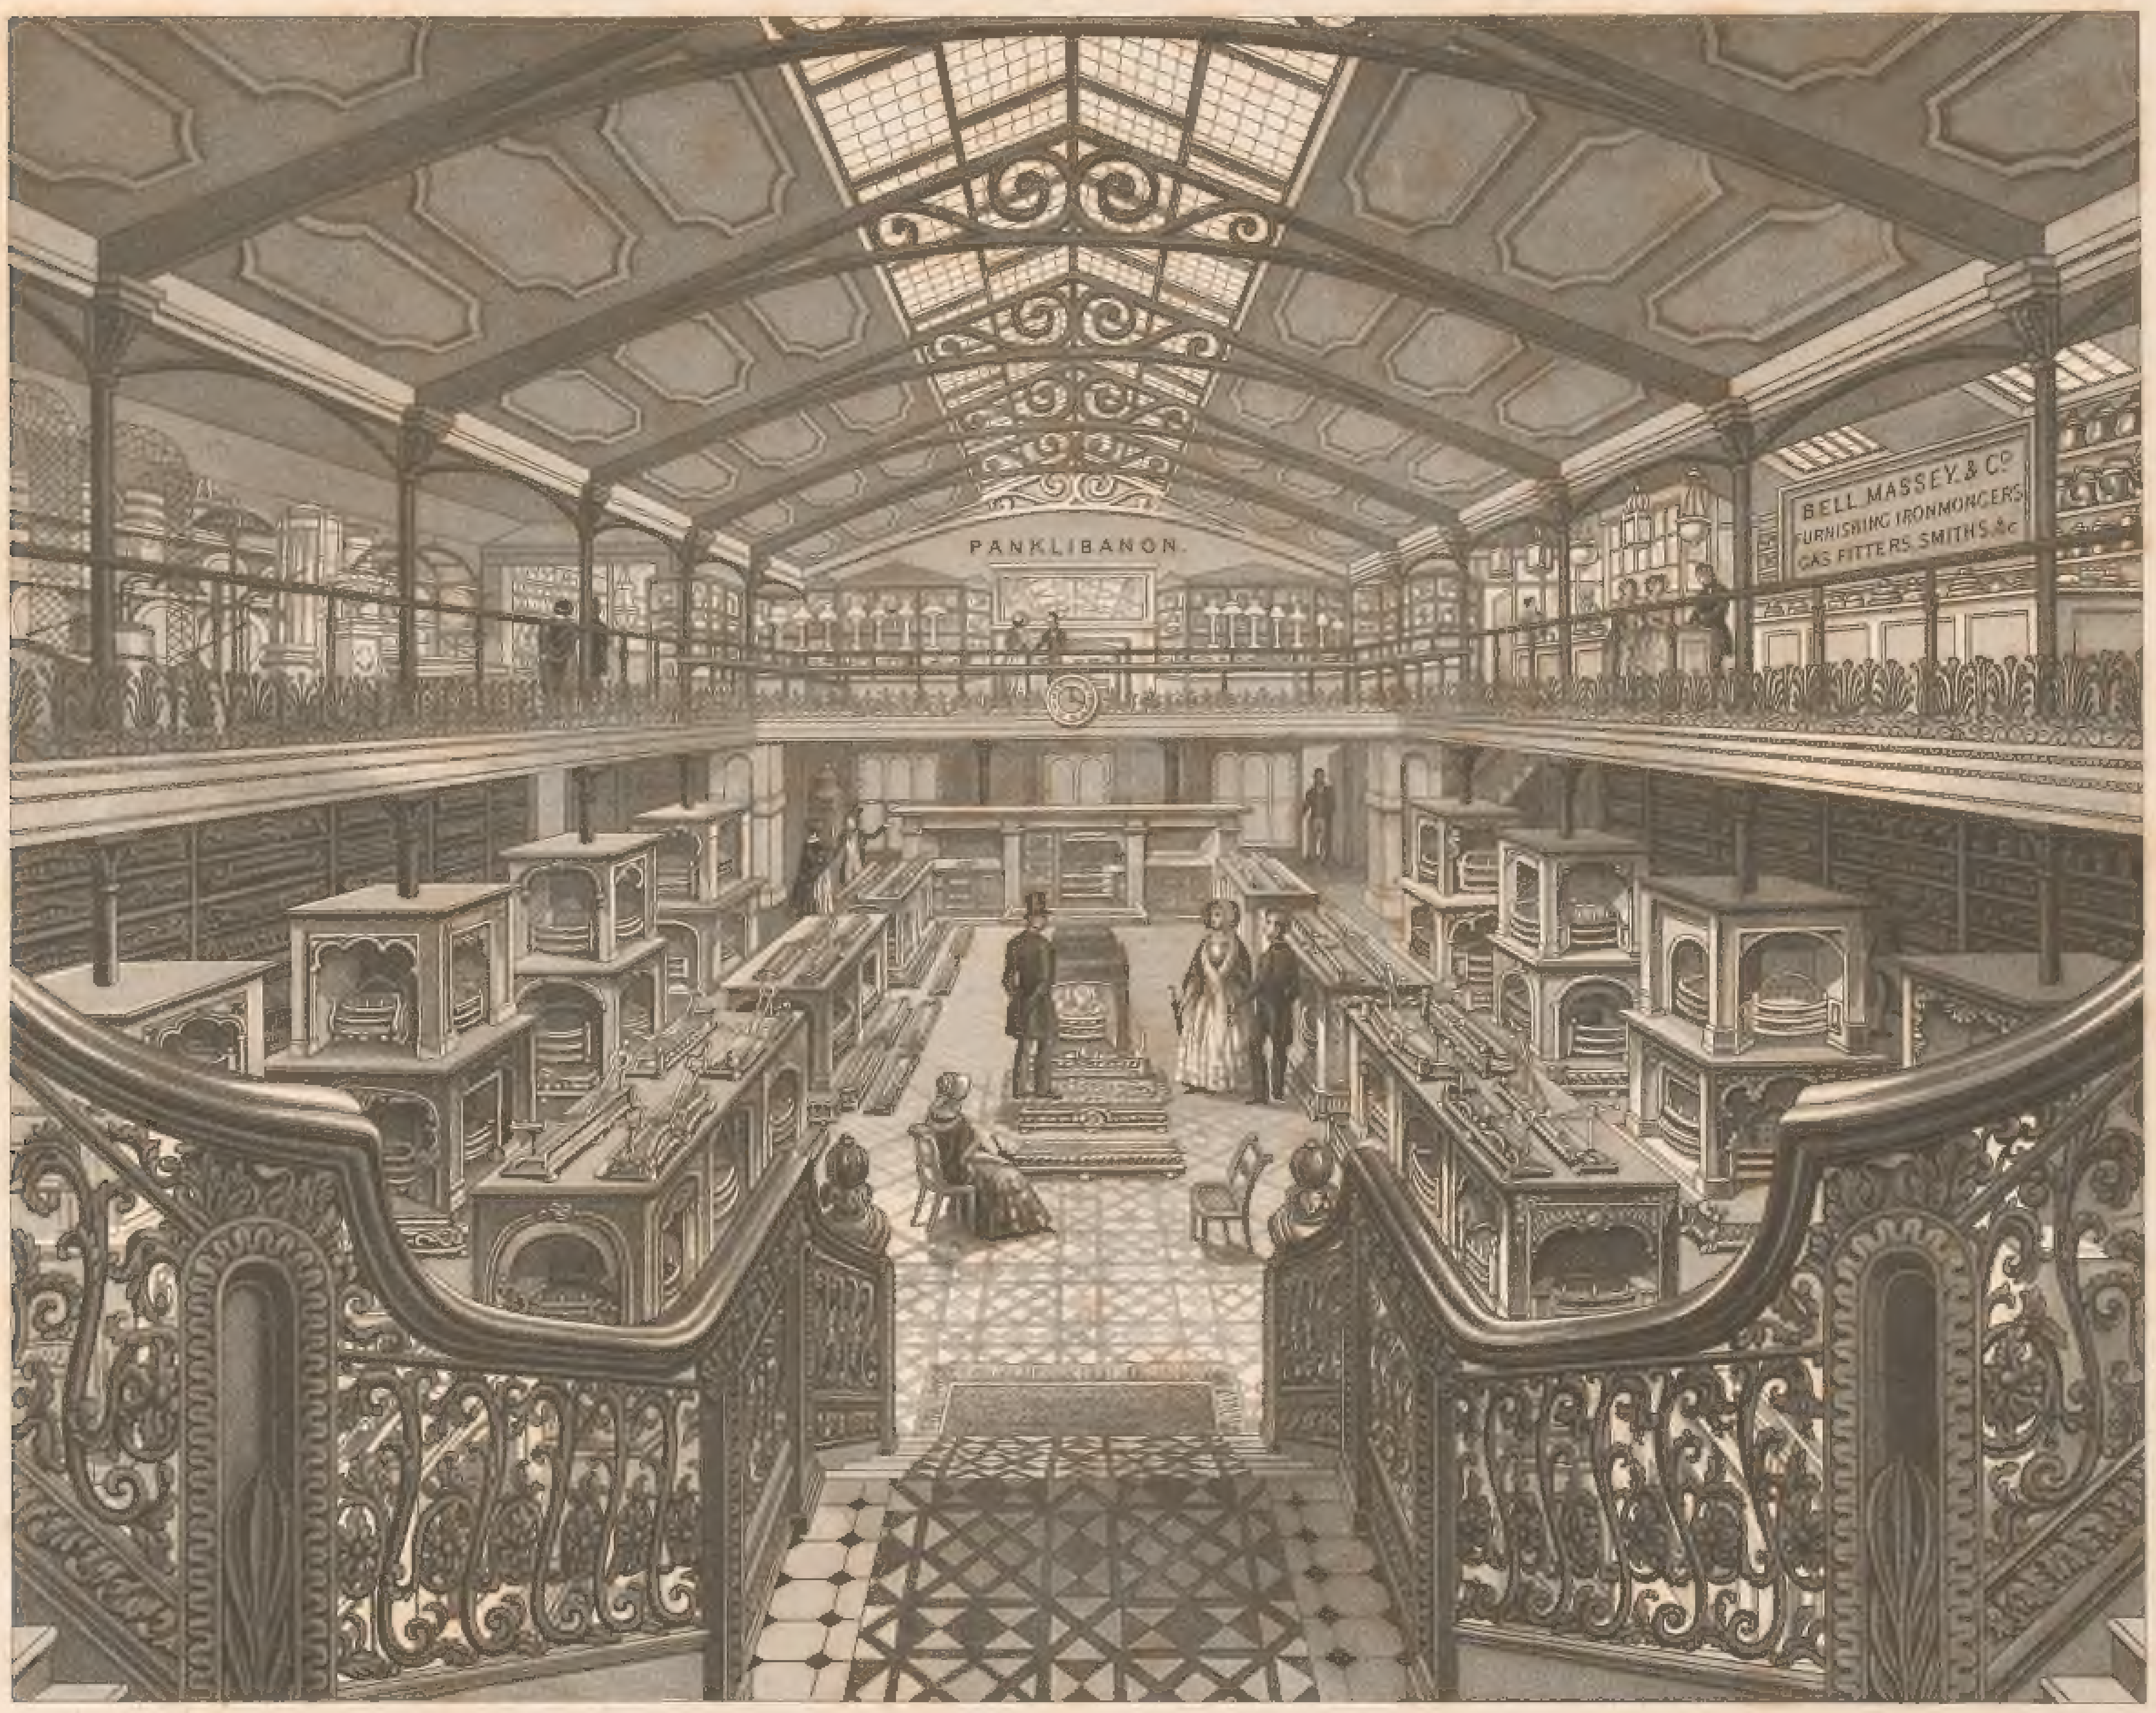
THE PANKLIBANON SHOW ROOM, AND STOVE GRATE MANUFACTORY.



BELL, MASSEY, & Co.

58, BAKER STREET, & 5, KING STREET, PORTMAN SQUARE,

LONDON.

PANKLIBANON.

The Panklibanon is constructed to afford the Nobility and Gentry every convenience of inspection. And the claſsification of goods offers a very novel and interesting Coup d'œil.

Meſs.rs Bell, Massey & Co. have endeavoured to render the Panklibanon not only the most extensive mart of its kind but to afford Purchasers greater advantages in choice and price than are elsewhere attainable.

The stock is unquestionably the largest and most varied of the kind, and contains many specimens surpaſsing anything yet produced in this Trade.

Designs and models for Conservatories, Verandahs, &c. furnished to correspond with the style of building for which they are required.

The splendid and unique Register Stoves, some of which are manufactured on the premises, are in novelty of style and workmanship, as well as combining all the recent improvements, superior to any specimens hitherto produced.

Kitchen Ranges constructed on the most approved principles with wrought and cast Iron boilers, Steam fittings, &c. Broiling Stoves, Hot Closets and Plates, Double and Single Action smoke Jacks, &c.

The Galleries are appropriated for every kind of General Furnishing Ironmongery, suited for the Mansion or Cottage, Sheffield and Town made Table Cutlery, Splendid Papier Mache and Iron Tea Trays.

Best Sheffield Plate, Tea and Coffee Urns, Lamps of every description, Shower, Plunge, and other Baths, Iron Bedsteads, Children's Cots, Ornamental Iron & Wire Trellis Work, Flower Stands, Bowers, Arches, Trainers, Tents, &c.

The above outline might be enlarged by including an infinity of articles of indispensable use, many of which are of great elegance, every novelty of merit being added, whether as to improvement in principle, shape, or superiority of workmanship.

Meſs.rs Bell, Massey & Co. earnestly solicit a visit of the Nobility and Gentry to their extensive show rooms which are open daily for inspection, every article is marked in plain figures, and at prices which they trust will insure them a continuation of that liberal support which they have already received.

Country orders forwarded within 200 miles free of all carriage expenses
